An Inter-Community business is a business that performs a service in more than one of the participating communities and is mobile, which means they provide services or do business by moving from client to client and the business does not have a storefront or location other than in their home or principal municipality.

Inter-Community Business Licence Application

PROVISIONS

A Municipal Village of Keremeos Business Licence must be obtained either prior to or at the time of application for the Inter-Community Business Licence.

The Inter-Community Business Licence CANNOT be prorated.

The Inter-Community Business Licence term is the same as the Municipal Business Licence term of one year from January 1st to December 31st.

Business must comply with all of the Bylaws and Regulations within each of the participating municipalities in which it operates.

Business provides a service by moving from client to client.

Business works in at least one participating municipality without premises in that municipality.

Business is service oriented (i.e. focus is on providing labour or an intangible benefit to its clients).

Business sells its service by moving from client to client (i.e. does not operate from the same location such as fruit stands/trucks, mobile stores, flea markets, carnivals, trade shows).

Business is NOT a social escort or body rub service or a vehicle for hire (taxis, limosines, buses).
